

## **I know I can do it** ('cause it can't be done)

(auteur Boris Bergman / compositeur Ian Scott)

*Don't walk me down.. to the free way..  
I got two legs of my own  
I do... Please do ..leave me alone*

I know I can do it  
My bad mornings have gone  
I know I can beat it  
Good bye uppers and rum.

know I can do it  
'cause it can't be done...  
I will reach my goals  
Before the day is done .

I know I can fight it  
I'm not scared of the cold  
I'm not scared of my wrists  
When I'm getting too bold

know I can do it  
'cause it can't be done...  
I'll reach my goals  
Before the day is done .

### **REFRAIN:**

**Back .. on my own two feet  
With an iron will  
That no one can beat..  
Odds you see won't beat me..  
I will leave at dawn  
When you're still asleep  
Wish you all the fun  
Sun up and rivers now so deep**

I know I can fight it  
I'm not scared of the cold  
I'm not scared of my wrists  
When I'm getting too bold  
know I can do it  
'cause it can't be done...  
I'll reach my goals  
Before the day is done ...
