

Not a king

(auteur-compositeur : Ian Scott)

This is the story of a man
a boyish man who wanted to be a king
A capricious king, too spoilt
he wanted to be, like his father

He never found his land
he never found love and his castle
he searches his way, in the breeze

REFRAIN:

Hey kid, go away
Hey kid, go away
Hey kid, change your mind
Hey kid you're not the king

He leads his army...to hell
he has no moods, no feelings
Life gives you too much, far too soon
learn from your mistakes, become a man

Believe in yourself
and one day, men will trust you
and one day, men will trust you

REFRAIN x 2
