

Well i love you so much

(auteur-compositeur : Ian Scott)

When I see ma babe, she don't care
She's moving and a rolling again
I see ma babe she don't care
I see her come and go in the lane

I love you, I need you, mmm so much
My body's gonna take you away
I tremble oo-oh so much
To see you and the way you sway

Well I love you so much
To see you turn one more time
Well I love you so much
Let us do the Madison time

Music

When I see ma babe, she don't care
The music, she'll get up and dance
You just like to see my babe
The world is turning round in romance
